BRIEF ABSTRACT OF LETTER

Requests sanction to the restoration of the Management of the properties, in and outside the State, of Sri Kudli Singeri Mutt on 1.2.41 to the Swamiyaru of the Mutt.

NOTES AND ORDERS.

1 The D-C's letter of 10/10.33 shows clearly the financial condition of the Mutt before the management of the properties was assumed by us — The period of management has been extended till the end January 1942 — It is not known why the Swamiyaru should urge for the restoration of the properties even before the expiry of this period. The Advisory Committee (Mysore & does not appear to have been consulted re existing management of the properties & the proposed

It is now reported at any time if the Govt the Swamiyar is ever & whether he is in fit condition to manage the properties and pendency - Since he succeeded to the Peeta, he has not yet undertaken a tour to visit the disciples both within & outside the State. It is just at present the affairs pertaining to the Mutt properties are taking coming to a shape in the civil suits & the Executive applications are in progress.

2) In para 2 of the M.C. suggests that the present Agent Mayurbhanj be asked to serve the Mutt, in case the management of the properties is restored. It is also that it is likely that the present Mayurbhanj would be willing to serve Sarvadhikari, & the affairs of the Mutt may go back to their old condition - In the circumstances it is a matter for consideration whether the M.C. Mayurbhanj be asked to to suggest to the Swamiyar to drop the idea of taking the management of the properties of the Mutt for the time being or to tell him that the objection would

Strictly, Govt cannot hand over if the Swamiyaru wants hereafter the management whether the advisability of the continuance of the arrangement till Feb. 15th may not be considered to have ceased & the Swamiyaru permits, the management may be handed over to him.

Subject.— Restoration of the management of Sri Kudli Sringeri Mutt properties.

At the instance of the late Sri Swamigalu of Kudli Sringeri Mutt, the Government assumed, with His late Highness' sanction, the management of the properties of the Mutt, in and outside the State, for one year in the first instance, in the year 1933, and this arrangement continued till the end of February 1936. After the demise of the late Swamigalu, his successor having also desired the continuance of the above arrangement, - Government have continued to manage the properties of the Sri Mutt and under the existing orders, the period of management extends up to the end of January 1942.

The Sri Swamigalu of the Mutt has now expressed a - desire to take up the management of the properties of the Mutt from 1st February 1941, and the Muzrai Commissioner has recommended that the management of the properties may be handed back to the Sri Swamigalu, as desired by him, the restoration of the management being made subject to the Sri Swamigalu executing the usual indemnity bond in such cases, giving protection to the Government officials for acts done by them in the bona fide discharge of their duties since the date of assumption of management by Government.

I am of opinion that the Muzrai Commissioner's proposal may be approved, and the properties restored to the Mutt with effect from 1st March 1941. The Dewan and the First Member of Council also agree with me. I solicit His Highness' gracious approval to the above proposal.

To

J. Appaji Gowda, Esq., B.A. (Hon.),

SIR,

Handing back the Management of the properties of Sri Kudli Sringeri Mutt, situated both within and outside the State, to the Sri Mutt, on 1st February 1941, and sparing the services of the present Government Agent of the Mutt, Mr. B. S. Krishnappa, to the Sri Mutt, up to the end of the year 1940-41.

I have the honor to forward herewith, copies of Srimukhas Nos. 206/40-41 dated 7-11-1940 and 218/40-41 dated 28-11-1940 received from the Sri Swamigalu of Sri Kudli Sringeri Mutt, re. the above; and to state as follows.

The management of the properties of the Mutt situated both within and outside the State was taken over by Government for a period of one year, in the first instance, in accordance with G.O.No.641-2/Muz.65-33-dated 10/11th November 1933 and the period of management was extended by Government from time to time, in accordance with the marginally noted Government Orders. The period of the management of the properties of the Mutt by Government has been extended up to the end of January 1942, in G.O.No.831-3/Muz.159-38-2 dated 25th November 1938.

G.O.No. 914-17/Muz.122-34-3 dated 29-12-1934.
G.O.No. 946-49/Muz.157-35-2 " 11- 1-1936.
G.O.No.1473-74/Muz.157-35-6 " 23- 4-1936.
G.O.No.1633-36/Muz.157-35-12 " 28th May 1936.
G.O.No. 831-3/Muz.159-38-2 " 25th Nov.1938.

3 The Sri Swamigalu, in his srimukha dated 7-11-1940, has expressed a desire to take up the management of the properties of the Mutt, as represented personally, to the Second Member of Council and also to me, when I last visited the Sri Mutt, on 16-10-1940, and has requested that

the management of the properties of the Mutt may be arranged to be handed back to the Sri Mutt, on 1st February 1941. He also requested that the services of Mr. B. S. Krishnappa, the present Government Agent of the Mutt, may be spared to the Sri Mutt, up to the end of 1940-41, for being appointed as Manager of the Mutt's immoveable properties, answerable to the Sarvadhikari of the Mutt, who would be answerable to the Sri Swamigalu. The Sri Swamigalu had also agreed to meet the monthly salary, T.A., and the cost of the establishment of the Agent, as fixed by Government, from the Mutt. The srimukha concluded by expressing the Sri Swamigalu's thanks to the Government, for having kindly undertaken the management of the properties of the Mutt and for arranging for their responsible and proper management by the officers of Government, up till now.

The Government Agent of the Mutt submitted a representation dated 20-11-1940, stating that it would be very derogatory to his position and capacity that he should work under the Sarvadhikari and be responsible to him, who, as he knows, knows nothing about the work, instead of to the Sri Swamigalu; and requesting that the Sri Swamigalu may be consulted in the matter of the Agent's status and also about the grant of any Duty Allowance to the Agent for his services in the Mutt, as the proposal would involve him in additional expense and change of place. A copy of the Agent's representation No.257/40-41 dated 20-11-1940, in the matter, is herein enclosed for kind reference.

The Sri Swamigalu was requested to intimate his views on the above representation of the Agent. In reply, the Sri Swamigalu states in his srimukha No.218/40-41 dated 28-11-1940 (copy is herein enclosed) that, as there are certain difficulties to make the Agent directly responsible to the Sri Swamigalu, he had desired that the Agent be made responsible to the Sarvadhikari of the Sri Mutt and that, such a course would not, in any way, affect the status and programme of the work of the Agent in the service of the Sri Mutt. As regards the request of the Agent, for the grant of any Duty Allowance to him, the Sri Swamigalu states that such a grant would not be possible in view of the present financial position of the Mutt, which has to meet heavy expenditure for execution of repairs to the Mutt building, tanks in Sunkapur and other inam villages of the Mutt, etc.

In the above circumstances, I am of opinion that it would not be fair to depute the Government Agent of the Mutt (Mr. B. S. Krishnappa), for services in the Sri Mutt, after handing back the management of the properties of the Mutt to the Sri Swamigalu, as the Agent feels unable to serve the Sri Mutt, if he has to be responsible to the Sarvadhikari of the Mutt, instead of to the Sri Swamigalu, directly. I, therefore, request you to be so good as to obtain and communicate the orders of Government for handing back the management of the properties of the Mutt situated both within and outside the State, to the Sri Swamigalu, on 1st February 1941, as desired by him, the restoration of the management being made subject to the Sri Swamigalu executing the usual indemnity bond in such cases, giving protection to the Government officials for acts done by them, in the bona fide discharge of their duties since the date of assumption of the management by Government.

On receipt of the orders of Government, the Sri Swamigalu will be requested to depute a proper and responsible person from the Sri Mutt, to get himself acquainted with the present affairs of the Mutt's properties and take charge of the Mutt records from the Government Agent of the Mutt, well in advance of 1st February 1941--the date of restoration of the management to the Sri Swamigalu.

2 The favour of early communication of the orders of Government in the matter is requested.

I have the honor to be,

Sir,

your most obedient servant,

Muzrai Commissioner.

Representation No.257/40-41 dated 20-11-40 submitted to the Huzrai Commissioner in Mysore, by the Government Agent, Sri Huduli Sringeri Mutt

---

Having learnt that the Sri Mutt had applied to Government requesting the handing over of the management of the properties of the Mutt back and having learnt that the Sri Swamigalu had sent a Srimukha requesting the loan of my services till the end of 1940-41, I beg to state as follows.-

It is understood from a perusal of the Srimukha that I have to be responsible to the Sarvadhikari who is appointed by the Sri Swamigalu and who would be responsible to him. From what the Sri Swamigalu was pleased to say when I had interviewed him last, I beg to submit that his idea was to make me directly responsible to him and not to the Sarvadhikari to be appointed by him though the views of the Sri Swamigalu in writing might be obtained through the Sarvadhikari. I fail to see why there is this change in the reference. For diverse reasons, I am compelled to submit, that it is rather humiliating to serve under a Sarvadhikari and be responsible to him instead of being directly responsible to the Swami. I therefore request that the Sri Swamigalu may kindly be consulted as to my future status definitely before a recommendation is submitted to Government. If this is not possible, I beg to humbly submit that I would prefer to revert to my original appointment in the Revenue Commissioner's Office as acting I Division Clerk, in case I cannot be provided with a place in the regular cadre as acting Deputy Amildar, or any other appointment, now.

I beg to state, in this connection, that I have worked very hard during these two years and that in addition to the routine work of collection in respect of outside properties I have brought to disposal many pending questions (including civil litigation) without much additional cost. After the execution of improvement works of the value of nearly Rs.3000, and other normal expenditure as usual and the continuance of payment of Nazarana, the cash balance at the credit of the Mutt in State Huzur Treasury today is Rs.11940-8-6 and (the next collection season is just approaching) while the cash balance when I took charge in November '38 was Rs.7736-10-6 and it had dwindled to Rs.26-7-9 on 3-1-39, that is, two months later. The heavy cash balance is due to the fact that the collection in respect of outside properties alone in 38-39 was nearly Rs.5000 more than in 37-38 and in 39-40 (the second year of collection after I took charge) the collection in respect of outside properties was Rs.6349 more than in the year 37

apart from the sum of Rs 3350 realised by the lease of Soolikatti jungle I have worked very strenuously these two years and done ~~done~~ my work very honestly and sincerely. I beg to submit humbly that my predecessors were drawing a duty allowance of Rs 50 a month for the period they were in charge and just to keep down cost this was not allowed to me; I think the work turned out by me is not less in volume or importance as compared to the work done by my predecessors if the Muzrai Commissioner is kind enough to view the matter generously and sympathetically. The Sri Swamigalu also is not unaware of the magnitude of work done by me and that I am still doing Taking all these matters into consideration, if the Sri Swamigalu considers that I am deserving and should sanction any duty allowance over and above my grade pay, I shall be highly grateful to him. As I have to work under changed conditions independently and without the valuable guidance of the Muzrai Commissioner and be responsible to the Sri Swamigalu, and as the proposal involves also a change of station for me the duty allowance is admissible as per Article 57 of the F.S.R.

The above representation of mine may kindly be considered favourably and the Sri Swamigalu may kindly be consulted beforehand and his views obtained before a recommendation is made to Government for sanctioning the loan of my services to the Mutt.
